CLINE CELLARS

SONOMA, CALIFORNIA

clinecellars.com

Cline cellars was founded in 1982 by Fred Cline in Oakley, California where Cline owns and controls 300 acres of some of the oldest surviving vines in California. Today, Zinfandel, Carignane and Mourvèdre produced from these vines are some of the most unique and historic wines made in California. In 1991, the winery relocated from Oakley to the Carneros region of Sonoma County on a historic 350-acre estate with new vineyards and facilities. While much of the cool Carneros region is planted to Chardonnay, Pinot Noir and Merlot, Fred Cline pioneered the planting of Rhône varietals including Syrah, Viognier, Marsanne and Roussanne.
